**Ernest & Barbara Kellogg of Double

**Alpacas have very generously donated
Dancing Star of ELK**

Dancing Star is a full Peruvian girl out of Herdsire Hall of Fame stud, ELK Hercules. She has excellent conformation, bite, and a fine, dense, soft handling fleece. She has uniform crimp character throughout her blanket.

Dancing Star is bred to Prince Phillip with a due date of May 24, 2010. Prince Phillip's offspring have been dominating the show ring. Recently at the Maryland Show they took four championships and his brown daughter took a color championship and Judges Choice at PAOBA. His daughter, Valencia just took her eighth white color championship which is an extraordinary feat.

Prince Phillip is producing color and Double “O” Good’s hope is this cria will be fawn or darker. Fawn or white, however, the Kelloggs expect this cria to be spectacular!
